Chip,
Dick can't make the boat tour, but I can. Can you conscript me, or should I talk directly to Bob W?

Subject: EPA Regional Administrator Harbor Tour - October 24

Just wanted to make sure you were aware that the LWG invited our Regional Administrator, Elin Miller, to take a boat tour of the Portland Harbor area next week. A general offer was extended awhile back but the calendar & arrangements came together recently and the tour has been scheduled for next Wednesday, October 24th in the afternoon. We have checked with the LWG and there is an opportunity for a few project partner representatives to participate in the tour. The LWG indicated that they will not have their consultants on board.

Please let me know if you have a strong interest in attending and I will work with the LWG to see what they can accommodate.

Thanks
Chip
